Wrecked Automobile." There's

Germany's peace proposals have met an Entente reply which ought to be plain to the world as well Hundred and Seventeen opens bright as to the Teutons. The Allies have no intention of There is promise to the world that bartering for peace on any such terms as the Teu-nd most exhaustive war in history may tons will offer.

Quite evidently both sides will demand the maxe certain prospect that the United States imum, and hope to get something between this and the minimum. But neither events in the war arena and hope that this material wealth will nor developments in ministerial and diplomatic cirompanied by the moral development without cles indicate that the minimum of the two sides are more riches constitute a curse instead of a at all coincident. It may be taken for granted that the Allies will not make concessions. The Teutons. lawall there is promise of another year of to secure peace, probably would yield a good deal, ber industries and business. Times here where near meeting the demands which the Allies

fortunes are being made, but the most For instance, the Allies certainly would insist on sture of local prosperity is the fact the full restoration of Belgium and a heavy indemnity for the outrages this country has suffered. tin has several wishes for the New Germany would probably agree to restore Belgium that standing wish of health and hap but only with governmental strings upon the kingdom, and Germany is not likely to agree to the prinparticularly for this territory better ciple of indemnification. For if Germany once facilities for passengers and freight vields on this principle, she must pay indemnities to Russia, Serbia and perhaps Rumania.

The Allies must also insist upon the restoration to France of Alsace-Lorraine. It has been said with good reason that if the Entente group were to yield on this point, France would break from the group immediately. For France has consecrated the last drop of blood in the veins of her heroic people to reming the lost provinces.

The Allies must also recompense Italy by giving her the Austrian territory for which she is fighting. must recompense Serbia with a slice of Bulgaria; Rumania with Transylvania, Russia with the Dar-Rumania with Transvivania, Russia with the Dar-danelles and much of Asia Minor, perhaps also with Pawaa Junction, is a hole dug by the water, department, running right

These are objects which the Allies must insist broken springs and curses many on Koko Head is for that purpose. The These are objects which the Allies must insist broken springs and curses many on upon. There might be slight changes, but this is virtually the minimum below which the Entente Powers cannot go.

In the second of the station of the station at the wireless station at Kakaako lost a basepan game was no koko Head is for that purpose. The sign he was vanquished, for he objects which the account of that hole.

Kakaako lost a basepan game was no koko Head is for that purpose. The principle sim of this duplex system is to establish two stations, with one station to be used only for despatching and the other only for receiving. We like about Kaulia, who has been are of 1898 have been called to the colors.

Their maximum—put forward as a basis for tradamen who owns a machine and who can't week which suggested that the Allies would demand the partition of the German navy and the neutralization of the car from the effects of lieve, although it will soon be possition of the Kiel canal was treated here as a joke, but if the "irreconcilables" in the British government have their way, Germany is to be crushed not only as a military power but as a commercial power. Certainly the Allies hope to reduce the Teutons to such atraits that they can carry out a program rigidly limiting standing armies and naval construction.

They would also like to discover the reduced the regretary of the car from the effects of that hole and other holes which the water works have dug and left danger out to those who travel over them.

If your car is in any way damaged see a lawyer and bring a civil suit against the county. Might, be the county would wake up to see that the tax payer has some kick coming, and do the right thing.

A TAXPAYER. They would also like to disposses Germany perman-ently of her overseas colonies and possessions, for my fear German trade after the war.

Such drastic demands as reparation by Germany Bir: Apropos of the satisfaction

land has just begun to fight. With Lloyd George at the president finds amount the belin, and the whole country turned into a war-muchine, their leaders should prophesy correctly. The Star Bulletin believes that Germany's proposals and humanity allow, the will encourage the Allies in the belief that the enemy

JUDGE VAUGHAN'S DECISION.

he fall text of the note is Suggestions have been made from time to time in the past and are now renewed that the law requir-its course, historians have been quick in members of the National Guard of Hawaii to be in prospect of getting any, and every-citizens be repealed. The reason for the renewal of that, neither has the action of the this suggestion is that Federal Judge Vaughan last practise artillery without horses. Of course I have to be careful what I can say to you denying the privilege of naturalization to Filipinos, it is the greatest comedy of errors I and there are something like 750 Filipinos in the have ever seen. Shakespeare would

It is true that the status of Filipinos as regards naturalization is deplorable, due to the two conflicting decisions, the first by Judge Clemons, the second by Judge Vaughan. To the Fflipinos it seems an injustice quite contrary to the treatment they have the augustion that President the status of Filipinos as regards at the preliminary soundings into the suggestion that President Roosevelt had conferrant time President Roosevelt had conferrant the status of Filipinos as regards the first by Judge Clemons, the second by Judge Clemons, the second by Judge Vaughan. To the Fflipinos it seems an injustice quite contrary to the treatment they have the suggestion that President Roosevelt had conferrant time President Roosevelt had conferrant Roosevelt Roosevelt Roosevelt Roosevelt Roosevelt Roosevelt Roosevelt Roosevelt It is true that the status of Filipines as regards s that of citizen defenders.

Prompt appeal to the highest tribunals, pressing the cases to early decision, is the wiser way of settlement. The war department has already approved the culistment of Filipinos here, and their status as regards membership in the guard will be unchanged while the law and the facts are being hreshed out in the courts.

Query: What effect will New Year's Day have on the British "tanks?"

THE CONTRAST

for ships sunk, on the basis of ton for ton; indemnification for every life lost in the submarine warfare; and the democratization of the German government show that the Allies expect to win the war after a struggle which will totally exhaust the adversary. The main point is that the Allies have no intention whatever of letting peace talk interfere with their war program. Their leaders declare that England has just begun to fight. With Lloyd George at "August 24, 1916."

"August 24, 1916. "Hon. George Huddleston.

"Dear Mr. Huddleston: numbers of young lawyers and other professional and businessmen in our lattery, who are suffering great sacrifices by being here. I am one of the number. We do not feel like stay-ing here, when the only advantage we get is sleeping out in the open air and teaching our stomachs that we can live on fat sowbelly and peas. We get no military training here. As a matter of fact, it is impossible to get say, but I feel that I can say to you turn over in his grave in disgust if he could get a vision of it, and if he were here he would lower his head in
